Did you know Cramlington Rockets is a not-for-profit community club?

To ensure the club is affordable for all we need to keep raising funds. We still need sponsors, 'match' funding via employers and also by submitting into some grant giving organisations.

If you work for an organisation that can sponsor or has a 'match-funding' programme e.g. Barclays, Boots, Co-op, Sainsburys & Tesco please let your team manager know.

**We need your votes.....We have submitted to the Mars Milk Play Fund to win £1,000 for new match kit.**

Please follow the link on the website, Facebook, Twitter or ask your Team Manager to text it to you. Please vote and share it with your family and friends to vote also.

## Welcome to the September Supporter's Newsletter

Cramlington Rockets is a community club bringing Rugby League to the North East. We provide sports coaching in a safe family environment for ages 8 to adults.

We are fifteen this year and get bigger and better with each passing year. We have 30 volunteers, 200 registered players (the biggest in the North) and a vast, enthusiastic (some would even say obsessive) parent support crew.

This has been a really successful year for the club and particularly the Community Department. Our beloved Steve Beaty and Danny Gilroy have secured AVIVA grant funding to continue delivering their fantastic programmes across the region, were awarded 'Outstanding Contribution to School Rugby League' by the RFL and held record breaking Rocket camps in school holidays. A high bar to better next year
