# 12 DAYS OF CHRISTMAS WISHES

WHAT THE MONEY YOU RAISE COULD BUY OVER THE 12 DAYS OF CHRISTMAS

## 1ST DAY

**£1,000** could pay for **1 hour** of all the care and support we offer to young people with cancer.

## 2ND DAY

**£100** could provide **2 large bags of Christmas decorations** to help to bring a Christmassy feel to young people who have no option but to stay in hospital at this time of year.

## 3RD DAY

**£75** could buy **3 PS4 or Xbox games** for young people being treated on the unit to encourage them to spend time together, support each other, and make life on the unit seem a little more normal.

## 4TH DAY

**£3,800** could pay for **4 young people** to attend our **FYSOT** (Find Your Sense of Tumour) weekend, so they can relax, share advice and meet other young people who know just what they're going through.

## 5TH DAY

**£1,150** could buy **5 real hair wigs** and **salon styling** from our Hair4U project - and help make the pain of hair loss a little easier to deal with.

## 6TH DAY

**£120** could pay for **6 hours** of one of our Multi-Disciplinary **Team Coordinators** so they can build links with NHS staff, find out about every young cancer patient and arrange the right support.

## 7TH DAY

**£245** could fund **7 therapy sessions** including music, arts and crafts or complementary therapies, to help young people relax and cope with cancer.

## 8TH DAY

**£400** could pay for **8 rounds of pizza** for young people and their friends, which might just be the first thing that tempts them out of bed after a gruelling round of chemo.

## 9TH DAY

**£76.50** could pay for printing our **book** *Honest Answers, Sound Advice: A Young Person's Guide to Cancer*, so **9 more young people** can read what others told us they wish they'd known.

## 10TH DAY

**£100** could pay for **10 young people** to have **coffee and a cake** with a Youth Support Coordinator, who will provide individual support to help young patients cope with the emotional, practical and social impact of cancer.

## 11TH DAY

**£330** could pay for **11 hours of vital care** from a Teenage Cancer Trust nurse, who will understand the challenges of dealing with cancer as a young person, and specialise in the best treatment for cancers that affect this age group.

## 12TH DAY

**£5,040** could pay for **12 school presentations** so young people and their families know the signs of cancer and feel confident to seek help if they need it.
